PETITION FOR SUSPENSION OF RULES UNDER 37 CFR 1.183

Applicants hereby petition the commissioner to waive 37 CFR 3.81(a) to permit correction of the named inventors on the recently issued patent we reference above.

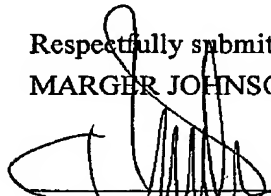

The patent for the above-identified matter was issued incorrectly listing only one inventor. We provide a copy of the first page of the patent as Exhibit A. Applicants submit a copy of the Amendment – Request to Correct Inventorship, filed November 6, 2003, as Exhibit B.

The Request was not acted on by the Office before the patent issued. The issued patent continues to incorrectly list the inventor/s as Jim Neeb. The correct inventorship is: Jim Neeb, John C. Johnson, Jadran Mihailovic, and Gregory A. Stone.

This oversight was unintentional, and clerical in nature.

The required fee pursuant to 37 C.F.R. 1.17(h) is enclosed.
